

Coffee Review 2020 Media Kit

In 2020, Coffee Review readers will drink more than one billion cups of coffee and consume more than 25 million pounds of coffee.

About Coffee Review

Launched in 1997, *Coffee Review* introduced the first-ever 100-point, wine-style coffee reviews to the specialty coffee industry. Our mission is to help consumers identify and purchase superior quality coffees and, in the process, help drive demand and increase prices to reward farmers and roasters who invest time, passion, and capital in producing high quality coffee beans.

Coffee Review publishes a monthly coffee or equipment report with reviews based on cuppings or testing conducted by Editor-in-Chief Kenneth Davids and our editorial team. Mr. Davids has published three books on coffee in four languages, has traveled throughout the coffee growing world, and has given hundreds of presentations and trainings to coffee professionals and aficionados. Each month, we post additional reviews that are not associated with a tasting report.

Over the past two decades, *Coffee Review* has become one of the most respected, influential, and widely read coffee publications in the world. In 2020, roughly one million visitors are expected to visit [CoffeeReview.com](https://www.coffeereview.com). We have more than 65,000 email newsletter recipients and over 75,000 Twitter followers (@coffeereview). Each year, we publish our list of the year's Top 30 Coffees, which attracts more than 200,000 coffee lovers during the peak holiday shopping season.

In 2020, *Coffee Review* readers will drink more than 1 billion cups of coffee.

– Gregg Charbonneau, Barrington Coffee Roasting Company

"Coffee Review's Top 30 List made a liar out of me. I told customers our Kenya Kikai would last through February. Then the list was published. Sales exploded and we sold out before Christmas."

– Melissa Scholl, Lexington Coffee Roasters

"We were blown away with orders in the first week [after a favorable review]. We love the Coffee Review effect. It can be very hard to compete against companies that have huge marketing budgets but Coffee Review is a great equalizer for the industry. It gives us a lot of clout in our local area."

– Matt Campbell, Branch Street Coffee Roasters

Coffee Review readers consume more than 25 million pounds of coffee beans every year.

Bird Rock Coffee Roasters

Panama Auromar Estate Geisha Peaberry

Review Date: Jan 2018

Price: \$51.00/8 ounces

Resonantly bright, floral-toned. Jasmine, frankincense, cardamom, toffee, apricot in aroma and cup. Balanced, sweetly tart structure with juicy acidity; crisp, velvety mouthfeel. The deep, flavor-saturated finish leads with caramel-toned apricot in the short, with rich florals resurfacing in the long.

“What Would We Do” Campaign Packages

Roasters frequently ask us how to get the most out of their reviews and advertising at *Coffee Review*. In response, we created our Advertisers Guide to help companies take advantage of proven strategies and best practices that we’ve learned over the years. However, the next question we receive is often “**But, what would YOU do?**”

Of course, every company has different needs, desired outcomes, and budgets. That said, after years of listening to advertisers, tracking results, and seeing what works best for many companies, we’ve come up with two “**What We Would Do**” campaign packages that maximize results and value.

#1

Editorial Package • \$1,995 per Year

Our Editorial Package is specifically designed for roasters that can routinely produce high-scoring coffees, seek to differentiate their coffees with objective reviews, value well-earned recognition from *Coffee Review*, and want SEO and social media support, but don’t need an ad banner campaign targeted at the North American consumer market. This package is often attractive to roasters outside the United States that are not actively marketing to coffee lovers in the U.S. market.

The 12-month campaign includes:

- **Reviews** – 4 commissioned reviews over the next 12 months
- **Clicks and Orders** – Company logo and links in all of your reviews
- **Wide Exposure** – Viewed by up to **one million** coffee lovers each year
- **Social Media** – Posts to over 100,000 followers when reviews are published
- **More Reviews** – Additional reviews at only \$250 per sample
- **Save on Advertising** – Receive 20% off banner ads

The cost of the Editorial Package would exceed \$3,500 if the services and benefits were purchased separately. It’s a great value at just **\$1,995 per year**.

For more information or to take advantage of one of these **discounted campaign packages**, please email Ron Walters at Ron@CoffeeReview.com

“What Would We Do” Campaign Packages

#2

Comprehensive Marketing Package • \$595 per Month

Our Comprehensive Marketing Package includes all the benefits of the Editorial Package but, as the name suggests, brings to bear all of *Coffee Review*'s powerful marketing tools to help advertisers maximize brand awareness, click-throughs, orders, and revenue.

This comprehensive 12-month campaign package includes:

- **Reviews** – 4 commissioned reviews during your 12-month campaign
- **Shared Banner** – 300×250 banner ad for duration of 12-month campaign
- **Dedicated Banner** – Dedicated 300×250 banner ad for one month
- **Newsletter Banners** – 4 email newsletter 300×250 banners to 65,000 recipients
- **Sponsored Email** – 1 sponsored “you write it” email to 65,000 recipients
- **Company Profile** – On the *Coffee Review* [advertisers page](#)
- **Traffic and SEO** – Your company logo and links in all of your reviews
- **Social Media** – Posts to over 100,000 followers when reviews are published
- **Discounted Banners** – 50% off all additional banner ad placements
- **More Reviews** – Additional reviews at only \$200 per sample

The cost of this 12-month campaign package would exceed \$12,000 per year (\$1,000 per month) if the services and benefits were purchased separately. It's a great value at just **\$595 per month**. Available for \$495 per month without reviews.

As a reminder, please be aware that we cup samples of commissioned reviews on a blind basis and there is no guarantee that that reviews or scores will be favorable. To learn more about commissioning reviews, visit [Getting Coffees Reviewed](#) and [Quoting Reviews](#).
