

Coffee Review 2024 Media Kit

In 2024, *Coffee Review* readers will drink over 1 billion cups of coffee and consume more than 30 million pounds of coffee beans.

About Coffee Review

Launched in 1997, *Coffee Review* introduced the first-ever 100-point, wine-style coffee reviews to the specialty coffee industry. Our mission is to help consumers find and enjoy superior quality coffees, while recognizing and rewarding the farmers and roasters who produce these coffees.

Each year, *Coffee Review* publishes 6 to 10 coffee reports with reviews based on cuppings and testing conducted by Editor-in-Chief Kenneth Davids and our editorial team. Mr. Davids has published four books on coffee, including his latest: **21st Century Coffee: A Guide**. He has traveled throughout the coffee growing world and has given hundreds of presentations and trainings to coffee professionals and aficionados. Throughout the year, we publish hundreds of additional reviews that are not associated with a tasting report.

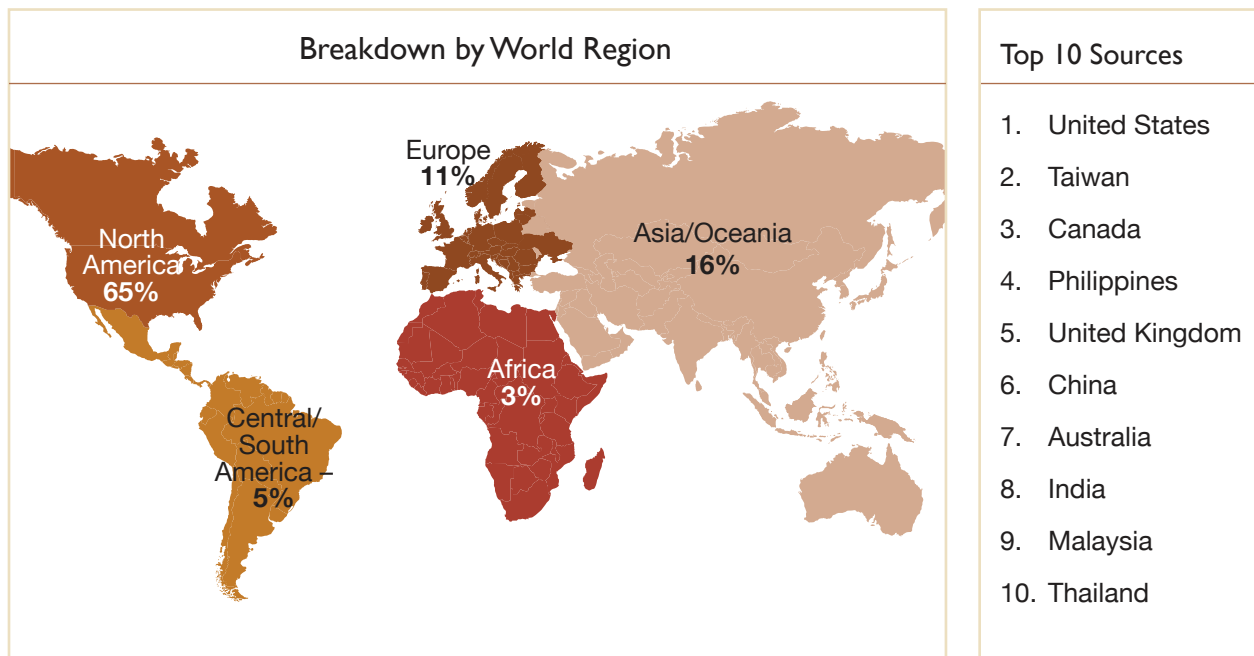

Since its founding more than 25 years ago, *Coffee Review* has become one of the most respected, influential, and widely recognized coffee publications in the world. We have published over 7,500 reviews since 1997. In 2023, *Coffee Review* ratings reached more than 100 million consumers through its worldwide network of digital and print channels. In 2024, up to one million or more visitors are expected to visit [CoffeeReview.com](https://www.coffeereview.com). We have more than 50,000 email newsletter subscribers and over 100,000 followers on the leading social media platforms. Each year, we publish our list of the year's Top 30 Coffees, which attracts more than 200,000 coffee lovers during the peak holiday shopping season.

In 2024, *Coffee Review* readers will drink more than 1 billion cups of coffee.

The image shows a screenshot of the Coffee Review website homepage. The website has a dark header with the logo and navigation links. Below the header is a main content area with several sections: a top banner for 'Shop for Top-Rated Coffees', a grid of six smaller articles (Shop the Top 30, Tasting Reports, Top-Rated Coffees, Green Coffees, Best Values, and Taiwan coffee), a 'Discovering Superior Quality Coffee' section, and a 'Recognizing Farmers and Roasters' section. On the right side of the page, there are five yellow boxes indicating ad positions: 'Top Button Dedicated', 'Side Banner #1', 'Side Banner #2', 'Side Banner #3', and 'Side Banner #5'. At the bottom right, there are sections for 'Connect with Us' (social media icons) and 'Sign Up for Our Free E-Newsletter' (email form).

Advertising Types

Ad banner types positions are available as described below and displayed in the image on the previous page.

Shared Side Banner #1 and #2

Our most popular and affordable banner advertising options, we offer two sizes of shared side box banners that rotate a new ad banner every eight seconds. These ad positions are available on a monthly basis. Side Box #1 is 300x190 pixels and provides an estimated 60,000 banner impressions per month. Side Box #2 is 300x250 pixels and delivers an estimated 75,000 impressions per month.

Dedicated Side Banner #3, #4, and #5

Do you want a larger ad that displays to 100% of *Coffee Review* visitors? If so, a dedicated side box banner ad is the perfect option. These three ad banner positions are available on a weekly basis. All dedicated side box banners deliver an estimated 40,000 impressions per week. Side Box #3, #4, and #5 are 300x250 pixels. “What Would We Do” Campaign Packages

Roasters frequently ask us how to get the most out of their reviews and advertising at *Coffee Review*. In response, we created our Advertisers Guide to help companies take advantage of proven strategies and best practices that we’ve learned over the years. However, the next question we receive is often “**But, what would YOU do?**”

Of course, every company has different needs, desired outcomes, and budgets. That said, after years of listening to advertisers, tracking results, and seeing what works best for many companies, we’ve come up with two “**What We Would Do**” campaign packages that maximize results and value.

#1 • Editorial Package • \$1,995 per Year

Our Editorial Package is specifically designed for roasters that can routinely produce high-scoring coffees, seek to differentiate their coffees with objective reviews, value well-earned recognition from *Coffee Review*, and want SEO and social media support, but don’t need an ad banner campaign targeted at the North American consumer market. This package is often attractive to roasters outside the United States that are not actively marketing to coffee lovers in the U.S. market.

The 12-month campaign includes:

- **Reviews** – 4 commissioned reviews over the next 12 months
- **Clicks and Orders** – Company logo and links in all of your reviews
- **Wide Exposure** – Viewed by up to **one million** coffee lovers each year
- **Social Media** – Posts to over 100,000 followers when reviews are published
- **More Reviews** – Additional reviews at only \$250 per sample
- **Save on Advertising** – Receive 20% off banner ads

The cost of the Editorial Package would exceed \$3,500 if the services and benefits were purchased separately. It’s a great value at just **\$1,995 per year**.

For more information or to take advantage of one of these **discounted campaign packages**, please email Ron Walters at Ron@CoffeeReview.com

“What Would We Do” Campaign Packages

#2 • Comprehensive Marketing Package • \$595 per Month

Our Comprehensive Marketing Package includes all the benefits of the Editorial Package but, as the name suggests, brings to bear all of *Coffee Review*'s powerful marketing tools to help advertisers maximize brand awareness, click-throughs, orders, and revenue.

This comprehensive 12-month campaign package includes:

- **Reviews** – 4 commissioned reviews during your 12-month campaign
- **Shared Banner** – 300×250 banner ad for duration of 12-month campaign
- **Dedicated Banner** – Dedicated 300×250 banner ad for one month
- **Newsletter Banners** – 4 email newsletter 300×250 banners to 65,000 recipients
- **Sponsored Email** – 1 sponsored “you write it” email to more than 50,000 recipients
- **Company Profile** – On the *Coffee Review* [advertisers page](#)
- **Traffic and SEO** – Your company logo and links in all of your reviews
- **Social Media** – Posts to over 100,000 followers when reviews are published
- **Discounted Banners** – 50% off all additional banner ad placements
- **More Reviews** – Additional reviews at only \$250 per sample

The cost of this 12-month campaign package would exceed \$12,000 per year (\$1,000 per month) if the services and benefits were purchased separately. It's a great value at just **\$595 per month**. Available for \$495 per month without reviews.

As a reminder, please be aware that we cup samples of commissioned reviews on a blind basis and there is no guarantee that that reviews or scores will be favorable. To learn more about commissioning reviews, visit [Getting Coffees Reviewed](#) and [Quoting Reviews](#).

Testimonials

“The response to our Top 30 appearance was crushing. The weekend we appeared on the list, the coffee jumped to the #1 selling bag. For Black Friday, it was the #1 selling coffee by far. The cafes keep selling out of the stock they order. It’s been fantastic!”

– Ryan Sullivan, Mostra Coffee

“Coffee Review is the best way to reach the top 10% of coffee buyers.”

– Lee Patterson, Hula Daddy Kona Coffees

“It’s very exciting when you wake up and you get coffee orders from Portland, Oregon, or Seattle, Washington. These coffee meccas are coming to a website, to a roaster in New Hampshire.”

– Claudia Barrett, Flight Coffee Co.

“There is no question that our 96-point score and the article CoffeeReview.com ran featuring that coffee had a huge impact on sales. Our Mocha Java Blend went from our 29th ranked coffee by sales in April 2020 (with 36 packages sold), all the way up to our top seller in May (with a staggering 733 packages sold).”

– Marchelo Bresciani, Thanksgiving Coffee
